

# UBF Activities

## February 2014

The Pink Ribbon campaign picks up pace: UBF partners with St Francis Junior College to conduct a successful breast cancer awareness walk

## March 2014

The first ever population based breast cancer screening programme in Andhra Pradesh

Nearly 1,48,000 under-privileged women between the ages of 35-65 years will be screened for early signs of breast cancer in the sixteen districts of Telangana and Andhra Pradesh by end of 2015

The picture shows a training session organised for a batch of core trainers from Andhra Pradesh Mahila Samatha Society at KIMS-USHALAKSHMI Centre for Breast Diseases

## April 2014

UBF organised the Pink Ribbon Evening 2014 to commemorate seven eventful years of serving the community in Andhra and further afield. Nearly 500 people attended the event where a panel discussion was held on 'Breast Cancer-Challenges and Choices'

L-R: Mr Jayesh Ranjan,  
Dr Anuradha,  
Ms Chandana Khan,  
Ms Shobhaa De and  
Dr Raghuram

L-R: Dr Anuradha (breast cancer 'conqueror'), Dr P Raghuram, Ms Shobhaa De, Dr Ananda Shankar Jayant (breast cancer 'conqueror') and Dr Evita Fernandez (Convenor, Panel Discussion)
